

WELCOME

The wine cellar at Marcus at Baha Mar reflects the past, present, and future of international winemaking.

If Old World classics are your preference, you'll find excellent examples of Champagne, Bordeaux and Burgundy as well as traditional Italian varietals. Other fan favorite offerings – such as quaffable Provençal Rosés, refreshing Sancerres, robust California Cabernets and crisp wines from Alsace, Germany, and Austria are available.

If you are ready to be adventurous, we also offer up-and-coming regions as well as young vigneron. Many of these are making invigorating and sustainable wines. You'll find wines with prolonged skin contact, from biodynamic vineyards, or traditional varietals grown in new regions.
