American Lunch is a 501(c)(3) nonprofit organization that delivers hot meals to people in need. The meals, which consist of hearty soups, bread, and iced tea, are served during the week from our mobile food trucks throughout the community.

In a world filled with contentious debate over numerous social issues, no one can deny the need to make sure that people who are hungry have access to healthy meals. Despite astounding statistics, our communities lack sufficient programs and means to accommodate those in need. Our goal at **American Lunch** is to provide relief to these people with a free, hearty, and "delivered" lunch.
