ABOUT US

SQUARE ROOTS

Emmy Squared serves Detroit-inspired square pizza, a style marked by its square shape, crispy bottom, fluffy dough, cheesy “frico” crust, in which cheese is drizzled onto the edges of the pie to create a crispy brown exterior, and signature sauce stripes applied on top of the cheese.
Beyond the main event, the menu extends to include salads and sandwiches, which shouldn't be ignored – like the bok choy Caesar, the award-winning "Le Big Matt" burger, and the signature spicy fried chicken sandwich.
