## Why all the Smoak?

The 18th Century marked the first appearance of the "smoakhouse". These buildings for smoaking and curing meats were popping up in American backyards at the first of the century. We choose to stick with the traditional (yet unconventional) spelling of "smoak" to pay respects to the technique that began what we refer to as "barbeque".

**Any excuse to have BBQ!**

We're more than a  
smoakhouse.

We take pride in our ability to accommodate. No matter what it takes to create an amazing experience for you and your group, the Loyal Crew has you covered! Whether it's a special menu request or a large event, we can accommodate to ensure you and your group have the best experience possible!
