

If you ask us, San Francisco is the greatest place to eat and drink in the entire world. We are happy to live, work and play here. We're beyond grateful to have the diverse bounty of mountains, fertile valleys, the ocean and the forest all available to us, and to have world-class wine regions like Napa, Sonoma, Mendocino and the Central Coast at our lucky fingertips. These gorgeous vineyards are our backyard and the amazing people that work in them are our dear friends.

This wine list invites you to our own dinner party with these friends. While the heart and soul of our list proudly celebrates our California cohorts, we're also excited to showcase selections from our peers and inspirations throughout Europe and around the world. We are all equals at a big, beautiful and convivial table crowded with wonderful wine, food and friends. All we ask is that you relax, laugh and have a great time sharing in the abundance. We are honored to have you as our guest and look forward to introducing you to something delicious and memorable.

GRACE NEWPORT

Beverage Director
