

SEAMORE'S NOLITA

Welcome to Seamore's Nolita, our very first restaurant on the north west corner of Broome and Mulberry streets. Seamore's was born in June of 2015 with the hopes of bringing simple, incredibly fresh, local, wild and sustainable seafood to the people of New York City. In addition to the grub, we focus on creating a super fun, relaxed, airy and welcoming environment. Think Montauk with FDNY sirens in the background. Our floor to ceiling windows offer sunlight all day long, and an amazing view of the iconic Little Italy sign illuminated at night. We have a wrap around patio all spring, summer and early fall for al fresco dining as well. We deliver, take reservations, host large party events and also offer full restaurant buyouts. We can't wait to meet you and show you what eating seafood in NYC is supposed to be.

We offer large party pre-fixe reservations for groups of 12 or more ranging from \$32 - \$52 per person depending on your menu selection. We also offer multiple buyout packages ranging in dining experience from passed hors d'oeuvres and cocktail parties to tasting menu seated dinners. Group happy hour options are also available upon request. For more information, please contact topher@seamores.com or brittany@seamores.com.

New York State sales tax and as well as an 20% gratuity will be added to all checks.

For reservations please contact Topher or Brittany at (212) 730-6005 or topher@seamores.com and brittany@seamores.com
