Celebration of Life

Offering a catered reception of food and beverage as part of the funeral service is a lovely way to honor your loved one. It's also a great way to bring those who are mourning together to remember all the good times shared.

Here you will find a nice selection of nourishment and cocktail options to choose from. We take care of everything so you can concentrate on what's most important, family and friends.

Give us a call and we will be happy to help you plan your menu.
