

Italian Wine Regions

Italy is rich in history and tradition, and wine is deeply rooted in the country's culture. The history of wine in Italy can be traced to the eighth century, when the Greeks arrived to Italy and named it Oenotria, or "the land of wine". The selection of Italian wines is vast, with more than 350 grape varieties spanning over 20 wine regions. Each wine is distinctive, and displays the uniqueness of the region in which it is harvested. From the deep complexity of Brunello di Montalcino in Tuscany to the tantalizing acidity of Nebbiolo from Piedmont, each wine takes you on a unique journey through Italy. Our wine list at Siena Tavern has been curated to offer you that experience, and we hope you enjoy. Salute!

*Vintages are subject to change based on availability

A 3% surcharge will be added to each check in order to support the rising operating costs affecting the restaurant industry. We are happy to remove this charge upon request.
