A 3.95% surcharge will be added to each check in order to support the rising operating costs affecting the restaurant industry. We do this in lieu of increased menu prices. Management will remove this charge upon request.

** Items can be served raw or undercooked. Consuming undercooked meat, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness. While we take every precaution to accommodate food allergies, the size of our kitchens and the volume we produce in them make it hard to provide a 100% guarantee. Please inform your server of dietary restrictions so they can assist you with recommendations.*

An 18% gratuity will be included for parties of 6 or more in your final bill.
