- **Fresh**, never frozen meats, smoked that day
- Hand-breaded chicken, fried to order
- House-smoked, **handcrafted** sausages and hot dogs
- Scratch-made sides, using **family recipes**
- Seasonal fruit, eggs, and veggies from our own **Slow Moving Farms**
- Craft beer from **local Bay Area** breweries
- Frozen desserts spun with love

We're proud to sell out daily so your meal is always fresh, never leftover.
