## CHUCK'S FISH

Chuck Morgan came to national prominence in 1963 - the day after the bombing of the Sixteenth Street Baptist Church in Birmingham when he delivered a speech critical of the state of race relations in the South.

His career as a Civil Rights attorney has been heralded in many books detailing the turbulent days of the 1960s. He tried nine cases before the United States Supreme Court. Many of these were landmarks in the struggle for racial equality.

This restaurant is named in his honor.

Gulf Fish is sourced from our wholesale seafood market Harbor Docks in Destin.

Lunch is available as takeout & curbside! Visit [ChucksFish.com](http://ChucksFish.com) for more info.
