

ANDROS
TAVERNA

Little known outside of Greece, Tsipouro is a clear ancient spirit believed to date back to the 14th century. Traditionally shared and served with Mezze, Tsipouro is more than a drink, it's an art form that has historically brought people together. Our Tsipouro and Ouzo service includes a carafe of your chosen spirit, accompanied by glasses and a carafe of water and ice. We recommend that you start by pouring the tsipouro into your glass (go ahead and try it neat, you may prefer it that way!). Then, if you want, add water, then ice. Go slow with this step-- chilling these spirits in this order preserves their distinctive aromas and flavors.

BOTTLES OF WINE

Welcome to the Andros Taverna wine list! Our selection highlights the best Grecian viticulture has to offer. These wines are convivial in nature, delicious to drink, and endlessly thrilling.

Currently in a true renaissance of quality wine production, Greek winemakers now produce many of the world's most mesmerizing wines. With the combination of modern techniques rooted in ancient tradition, unique terroir, and fascinating indigenous grapes, our wine list celebrates the producers on the forefront of this exploration.

Keep an eye out for wines marked with the ⚡ symbol - these are our sommelier's selections for the quintessential Greek dining experience. The tasting notes with these selections have two components. The first sentence describes the aromas and flavors, while the second sentence gives you an idea about the texture or mouthfeel of the wine.

We recognize that many guests may not be familiar with these wines—please direct any questions to our team of sommeliers who will be happy to assist in picking out the perfect bottle for you.

As they say in Greece, “ya mas!”.

DOMAINE SIGALAS - SEVEN VILLAGES

Every year Domaine Sigalas releases an extremely limited amount of wines called "Seven Villages." This is a unique project which intends to highlight the differences in terroir found on the island of Santorini. The grapes are sourced from old vineyards in each village on Santorini and vinified the same way. These represent an incredible opportunity to experience the best this volcanic island has to offer.
