

ANDROS  
TAVERNA

Little known outside of Greece, Tsipouro is a clear ancient spirit believed to date back to the 14th century. Traditionally shared and served with Mezze, Tsipouro is more than a drink, it's an art form that has historically brought people together. Our Tsipouro and Ouzo service includes a carafe of your chosen spirit, accompanied by glasses and a carafe of water and ice. We recommend that you start by pouring the tsipouro into your glass (go ahead and try it neat, you may prefer it that way!). Then, if you want, add water, then ice. Go slow with this step-- chilling these spirits in this order preserves their distinctive aromas and flavors.

## DOMAINE SIGALAS - SEVEN VILLAGES

Every year Domaine Sigalas releases an extremely limited amount of wines called "Seven Villages." This is a unique project which intends to highlight the differences in terroir found on the island of Santorini. The grapes are sourced from old vineyards in each village on Santorini and vinified the same way. These represent an incredible opportunity to experience the best this volcanic island has to offer.
