

Dungeon Burger \$17+

Let the capricious whims of Fate build your burger. Will it be beef? Chicken? Loin of Bugbear with a Gelatinous Cube demi-glace? Probably not that one, BUT WHO KNOWS? Comes with a collectible trading card because every dungeon needs loot.

DESSERTS

Old Nan's Bread Pudding 9 A Winterfell favourite fed to generations of Starks to help them through the long nights in the North. Topped with ice cream so that you never forget that 'Winter is Coming'.

The (Cheese)cake is a Lie! 12 Take a Portal and escape with a slice of our New York-style cheesecake. Enjoy it plain or choose from chocolate, house-made caramel or raspberry sauces. Best enjoyed single player, but co-op campaign available too!

Kakarot Cake (v) 10 This delectable vegan carrot cake with a plant-based cream cheese icing has flavour levels reaching over 9000!

The Forbidden Fruit Pie 13 Serves 2-4! Give in to your temptation and take a bite of this most unholy pie filled with the sweetest forbidden fruit and luxurious caramel sauce. Top it off with gluttony-worthy vanilla ice cream. Sub for charcoal-infused crust for +\$1.

All prices subject to applicable taxes.
