## **EAT**

Highway Restaurant & Bar is looking to be your new regular spot. Sophisticated but approachable — the model for the owners' other restaurants, including Pasquale Jones and the NoMad Bar — the menu will have lots of fresh seafood, including daily crudos, as well as eclectic fare like roasted chicken, housemade pastas and farro salad. Dine sipping craft cocktails, surrounded by decades of Hamptons summers past in black-and-white photographs by Pamela Hanson. 290 Montauk Hwy., East Hampton
