A Peek at the Build-Out of Drew Nieporent's Bâtard

Tuesday, April 29, 2014, by Greg Morabito

[The Bâtard trio; the old Corton space]

The team behind **Bâtard**, the most anticipated restaurant of spring/summer 2014, has been quietly documenting every step of the build-out of the space on [Instagram](#). The Bâtard partners have also shared scenes of dish testing, menu design, [working lunches](#), and a [visit to the pottery studio](#) that's making all of the plates for the restaurant. The film *A Matter of Taste* documented Montrachet being transformed into **Corton**, and now, via Instagram, we see the Corton space being turned into Bâtard.

Here are some choice shots of the build-out of this major project from **Drew Nieporent**, **John Winterman**, and **Markus Glocker**:

[The build-out begins.]

[New ceiling, plus chandelier.]

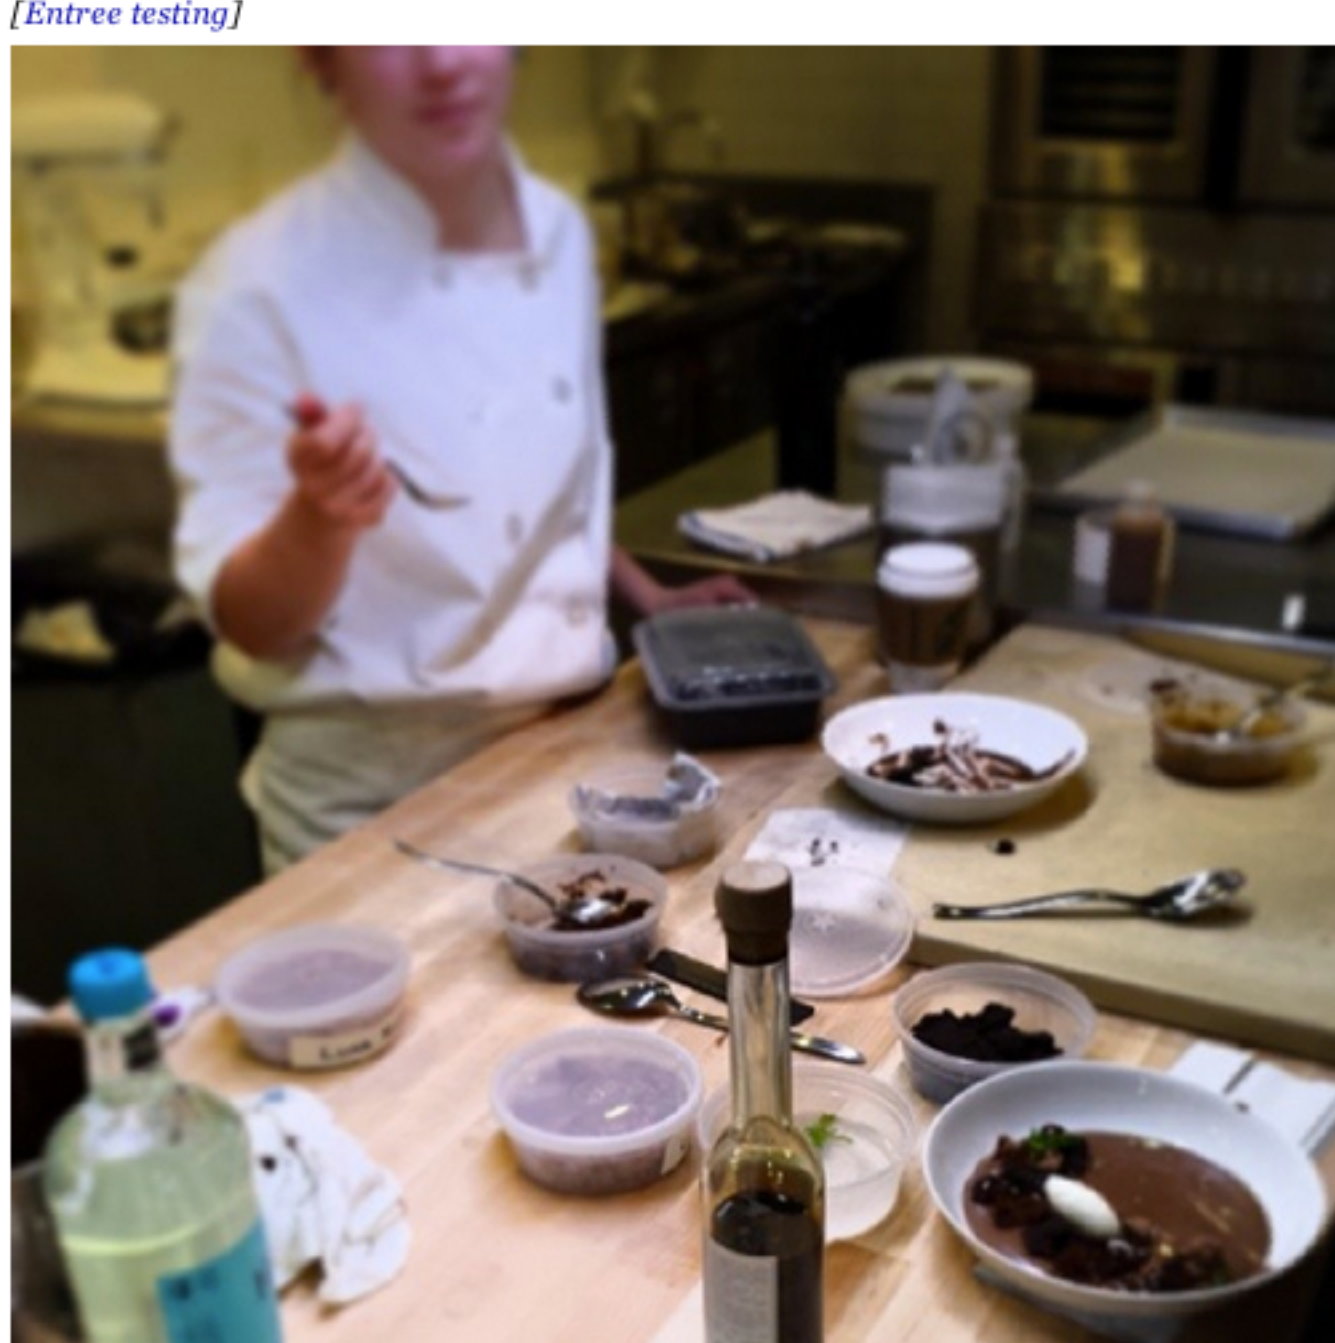

[New floors.]

[A rough draft of the menu with the dishes blurred out.]

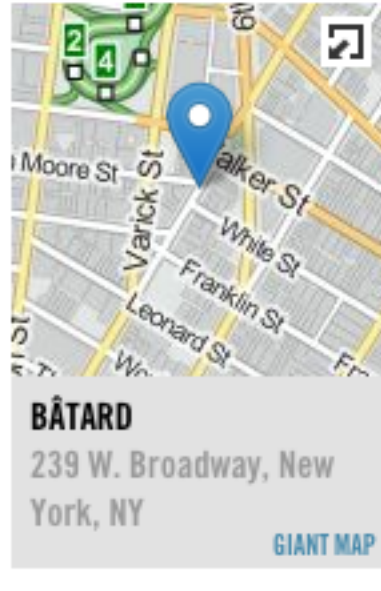

[Entree testing]

[Dessert tasting]

If everything goes according to plan, the new restaurant from **Drew Nieporent**, **Markus Glocker**, and **John Winterman** will open in June.
