

CIAO

We're pretty jazzed you're here.

You've got everything we have in the way of beverages in front of you: cocktails, non-alcoholic options, beers, and of course wines—we probably missed a few that are also in here.

While we don't have everything, we're confident we've got something you'll love—because this list is curated with only things we love! We've done our best to lay things out in a way that makes it easy to decipher and make choices, but we'd also really like to chat with you and introduce you some of our favorites.

Our wine list is mostly Italian, but with some neighboring regions and domestic producers we love. Our focus is on smaller producers, winemakers who are still small enough that they have personal relationships with the people who sell us their bottles, and folks who want to make wine but also take care of the earth. You'll notice some wineries are so special to us that their wines show up multiple times on our menu. These wines are listed in the regular list, but they're also highlighted with more information—cause we're big nerds—on our feature pages that are after the regular menu.

Please peruse! Enjoy! Ask questions! Don't miss the Amari page—there's over 50! We hope you discover something new that you'll be obsessed with, and we hope that this list is as fun for you as it was for us to put together.

Please notify your server of any allergies when ordering.

The Pelizzatti Perego family refounded this estate in 1984 after tragedy split up their holding that dated back to 1860. Here, Nebbiolo is called Chiavennasca and has uniquely adapted to this high-altitude climate. Like drinking Nebbiolo while skiing!

- i Clivi 'Arzellari'** • Verduzzo, 2022, Friuli **70**
textural and rich with great structure and ripe orchard fruits; a savory edge. an excellent substitute for a lean chardonnay
- i Clivi Galea Bianco** • Friulano, 2019, Friuli **95**
drinks like well aged chablis. slightly oxidative and full-bodied; rich stone fruit and honey
- i Clivi 'Ottantani'** • Malvasia, 2023, Friuli **70**
crispy and balanced; stone fruits, herbs, and white flowers. an underrated grape deftly vinified
- i Clivi Schioppettino** • Schioppettino, 2023, Friuli **70**
peppery and medium-bodied; easy drinking but complex. perfect for pinot noir fans
- i Clivi Schioppettino 'il Soccombente'** **110**
Schioppettino, 2021, Friuli
all the liveliness of the regular schioppettino mellowed out in a barrel; amp up the body, texture, and savory notes but still gorgeous ripe fruit
- i Clivi Cabernet Franc** • 2023, Friuli **70**
all the different color berries; vegetal savoriness. lots of texture and grip

Corno di Rosazzo, Friuli

I Clivi has been special to Bar Mezzana since our beginning. We have a long-standing relationship with their importer, Giannoni Selections. These wines are famed for their low yields, steep terrain, and old vines. Winemaker Mario Zanusso took over from his father, Ferdinando, and he continues to shepherd wines of precision that showcase their highly reputed terroir.

KELLEY FOX

- Kelley Fox Freedom Hill • Pinot Blanc, 2022, Oregon** **80**
we always get lots of gingery pear, orchard fruit, and texture from these pinot blancs from Oregon. there's razor's edge tension with crisp acidity and nervy balance
- Kelley Fox 'Nerthus' • Muscat, Pinot Gris+, 2023, Oregon** **65**
not quite a white but not quite a rosé or orange wine either; kind of the best of all three! crushes with all kinds of food but especially crudo
- Kelley Fox Canary Hill Vineyard Pinot Noir** **195**
2022, Oregon
ethereal with beautiful lift; the profile is fresh and red-fruit forward with deceptive, finely etched structure. a stunning long finish.
- Kelley Fox Durant Vineyard Pinot Noir • 2022, Oregon** **195**
from vineyards planted in 1974 and 1978. there's a savory aloe-like edge here; almost vegetal but still lots of red fruit and typical oregon earth

Willamette Valley, Oregon

Sometimes you meet a winemaker and the vibes are so good that you just know the wines will kill—Kelley is that person. Equal parts mystic and scientist, she has been producing her own labels since 2007. Kelley listens to her vineyards and lets them tell her what each wine wants to be. These are some of the most elegant and graceful wines made in the US.

TIBERIO

Tiberio Pecorino • Pecorino, 2023

60

made from a surprise discovery of pecorino vines in a vineyard of trebbiano. fleshier than the trebbiano. ripe tropical fruits kissed with lemon verbena and sage; nerviness and electricity

Tiberio Quarmari • Pecorino, 2023

250

named after Cristiana's late dog pictured below. creamy and rich; the bright fruit from the regular pecorino is richer and more elegant here. produced from a special biotype of pecorino that is particularly elegant and refined

Tiberio Fonte Canale • Trebbiano, 2021

190

vinified from 95-year-old ungrafted vines. intensely mineral; laser-like precision. subtle nuttiness; ginger, apple, and white pepper notes. a distinctly abruzzese cousin to chablis

Tiberio Colle Vota • Montepulciano, 2021

250

both elegant and concentrated but light on its feet. rich tobacco and plum notes. an incredibly long finish. the colle vota vineyard allows for generous hangtime so these grapes produce a truly unique montepulciano

Cugnoli, Abruzzo

Cristiana Tiberio is making some of the most exciting wines in Abruzzo along with her brother Antonio who handles the growing. They're deeply passionate about planting only vines that are propagated here and adapted to their land—massal selection. Their wines are pristine due to their insistence on free run juice. Everything is a tenuous balance of crystalline and textural qualities. You can taste Cristiana's intense passion for Abruzzo in these wines, particularly in the single vineyard bottlings which are all richly aromatic and elegant.
