COZY, CHIC REUNION KTCHN BAR BRINGS TOGETHER FRIENDS FOR MEMORABLE MEALS

Adriana, Cesar, and Samuel—three foodies searching for delicious recipes from around the world—have always loved to host friends and make new memories, so they decided to create a chic neighborhood space where they can share regionalized dishes. And Reunion Ktchn Bar was born. The cozy eatery has built its reputation on its menu of magical dishes, such as Moroccan pastilla, a special Rosh Hashanah tradition from Adriana's grandmother reinterpreted by Reunion Ktchn. The bar features exquisitely handcrafted cocktails created with a variety of infusers and homemade syrups. The recently opened Gastro Lounge, located inside, is the region's hottest hangout for gatherings and parties of all kinds. This hidden gem is open daily with brunch on Saturdays and Sundays, lunch and dinner options, and a live DJ on Thursday nights. With a warm and welcoming vibe, Reunion Ktchn Bar has already become a local favorite.

## TELL US MORE ABOUT THE GASTRO LOUNGE?

It's definitely a place to enjoy time with your friends. It was designed as a mini-club with a cool vibe offering small bites and original, handcrafted cocktails. Gather with friends for a toast, relax after dinner or a show with your date, or hold a pre-party or pre-celebration in the lounge. We are happy to host any private celebration you are planning, including baby showers, bachelor/

bachelorette parties, bat mitzvahs, birthdays, and casual business meetings.

## WHAT IS A CUSTOMER FAVORITE THAT EVERYONE SHOULD TRY?

Cesar is the cocktail guru and the ginger margarita is his signature specialty. Every time there is a celebration or an event, we make a large batch of this delicious cocktail for the reception. Our parties have

great music, fun vibes, and the tasty ginger margarita, which Cesar created using a from-scratch ginger syrup made with fresh ginger. This has been a favorite for neighborhood regulars and first-time customers.
