SPECIALTY BEER

“There is an ancient Celtic axiom that says,
‘Good people drink good beer.’ Which is true.”
- Hunter S. Thompson

The Trappist Order originated in the Cistercian monastery at La Trappe, France in 1664. Officially known as the order of Cistercians of the Strict Observance, the monks lived by a strict set of rules and had the goal of being self sufficient. That is why they started brewing. Many of the monasteries were destroyed during the French Revolution and the World Wars, and today, just fourteen Trappist brewing monasteries survive, producing what many regard as the best beer in the world.

SOCIETY COCKTAILS

CLASSIC COCKTAILS INSPIRED BY ELORA'S REAL GRIT GOLDEN AGE

MODERATION MARTINI 17 2 OZ
DILLON'S DRY GIN, LILLET BLANC

The Elora Friendly Society, founded in 1851, believed in a more moderate approach to prohibition than the other temperance societies of the time. In the same spirit, we invite you to enjoy this classic dry martini, garnished with just one olive. Moderation is key.

COMMERCIAL HOTEL COLLINS 17 3 OZ
GREY GOOSE VODKA, LUXARDO MARASCHINO
LEMON, PROSECCO

The Commercial Hotel, located across Mill Street, played an important role in Ontario's Real Grit political movement. It also housed a thriving bar on the ground floor. It was in this bar that the Friendly Society meetings took place, a practice that did not endear the society to the more abstinence minded townsfolk. Our Collins is named for the hotel.

MIDDLETON'S MANHATTAN 17 2.5 OZ
DILLON'S RYE, SWEET VERMOUTH, SMALL BATCH BITTERS

The Elora Temperance Society was founded in the 1840's by James Middleton, a farmer, part-time preacher, and prohibition extremist. He forced all members to sign a pledge never to drink. His son William, a doctor, was more easy-going and chose to join the Friendly Society instead. In his honor, we have created a sweet Manhattan with a kick. It's guaranteed to cure what ails you.

KERTLAND'S SOUR 17 2 OZ
MAKER'S MARK BOURBON, LEMON, EGG WHITE
ANGOSTURA BITTERS

Local surveyor, Edwin Kertland, served as the vice-president of the Friendly Society. He was a hard drinker and at the end of one of his famous three-day binges, a meeting was held in the Commercial Hotel. While Kertland was still drinking in the hotel bar, he was expelled from the society for "an outrageous violation of his solemn vows." We've designed this classic bourbon sour in his maverick style.

FLO'S MARGARITA 17 2 OZ
DON JULIO TEQUILA, CASSIS, LIME
AGAVE SYRUP

Florence Smith was a Friendly Society member who also operated a number of taverns and bars over the years in Elora and Salem. Like the rest of the Society, her good intentions had to exist side-by-side with a boisterous nature and pioneering spirit. We celebrate her memory with this Margarita.
