Vanessa Trump is turning heads in the Hamptons — but it's her security detail that's drawing the most attention.

Sources tell Page Six that [Donald Trump Jr.'s ex-wife](#) — who is currently “wedding bells serious” with golf star Tiger Woods — was in tony Southampton over the weekend with a sizeable Secret Service presence in tow.

One source tells us they spotted Don Jr.'s ex-wife, 47, and their teen daughter, [aspiring golf great Kai](#), 18, at buzzy new hotspot La Goulue Sur Mer. The spy told us: “They had six black SUVs of Secret Service in tow.”

The law enforcement may have stood out, but they were being polite, we hear.
