EAT YOUR HEART OUT

La Goulue Sur Mer

A timeless Parisian brasserie lands in the heart of Southampton Village with the opening of La Goulue Sur Mer. Founded by locals Joseph DeCristofaro and Anthony Punnett, the new spot brings French classics like steak frites, confit de canard, and loup de mer to a chic, transportive setting. Expect vintage bistro details, a lively lounge with late-night bites, live music most nights, and a wine list built for long summer dinners. Whether dining indoors or alfresco, La Goulue Sur Mer blends effortless elegance with local charm. 210 Hampton Road, Southampton
