We are proud partners of **Morningside Farm**, a small family owned operation right here in Elkridge. Located just across the street behind the BP gas station, Myrtle Woods Farm grows high quality organic fruits, vegetables, and flowers. We support them as much as possible and highly encourage you to follow them @morningsidefarmmd on Instagram.

We get all our eggs from **4 the Girls Farm** (Manchester, MD - @4thegirlsfarm). Casey raises hormone-free free range chickens that produce beautiful eggs with a gorgeous orange yolk.
