**Who is Martha?** Martha is the name of the stuffed zebra that my wife got in the hospital when she was diagnosed with leukemia as a young teenager. Still with us, Martha reminds our family of the extraordinarily trying time, the friends that she lost, and the blessings that followed.

Martha's Cafe is a celebration of her and her family. Featuring some family recipes, we try to make as many things as possible from scratch, using fresh ingredients. We partner with some great local farms, including **Morningside Farm (Elkridge)** and **Morris Farm (Woodbine)**.
