

APERITIVO HAPPY HOUR

MONDAYS, ALL NIGHT | TUESDAY - FRIDAY 4-6PM

EXCLUSIVELY AVAILABLE AT THE BAR

Aperitivo became popular in the 1920s in Milan, where friends gathered to socialize over light cocktails & snacks. Aperitivo, meaning "to open", is believed by the Italians to open up your palate and stimulate your appetite. At Sorellina, we offer classic Italian Aperitivi like Negronis and Spritzes, plus select wines, beer and assorted antipasti. **Buon Aperitivo!**
