- The Empress Honeybees live in beehive colonies in the hotel’s Centennial Garden
- Buzzing with activity and sustainable purpose, in peak season, 50,000 honeybees live and work hard at Fairmont Empress
- Our busy bees help pollinate flowers in the Empress gardens, herbs in our rooftop garden and millions of flowers in our community
- Every year, our bee colonies produces more than 50 pounds of honey each year
- Empress honey is served in restaurant dishes, used in the spa, and is available for sale in the Fairmont gift shop
