THE BLACKSMITH ROOM

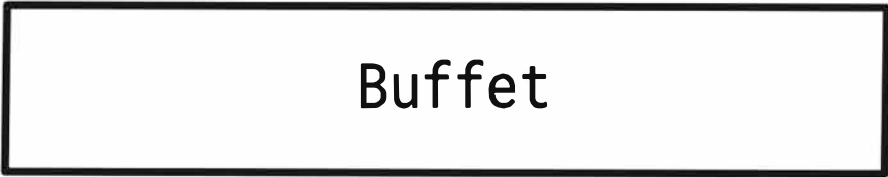

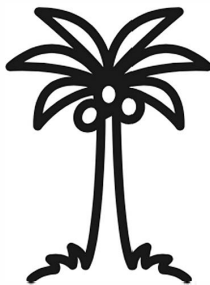

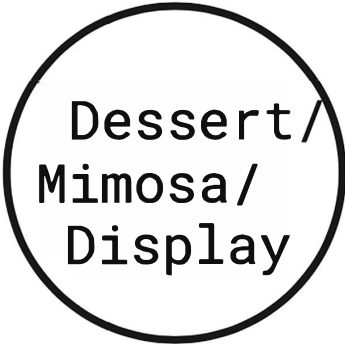

Our Private Dining Room was originally used as the blacksmith shop for the working quarry. Granite cutting tools were made, repaired and sharpened on the blacksmiths hearth called a forge. The Blacksmith Room features imported, wrought-iron chandeliers, skylights, and vintage sconces. The room can comfortably accommodate 22 guests at a king-style table, or up to 30 people with 5 tables of 6. Perfect for a rehearsal dinner, business presentation, intimate family gathering or cocktail party.

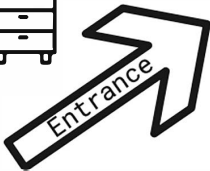

THE STONE ROOM

Large dark wood bamboo dividers separate this private function space from the main dining room, providing a spacious, stone-wall lined event space with cathedral ceilings, wall mounted wine racks and floor to ceiling windows. Tucked up toward the front of the building, The Stone Room provides the perfect backdrop for your event. Capable of hosting a 30-person event, complete with buffet and cake and gift space.

The Quarry Room also offers cathedral ceilings, rustic exposed wood beams, skylights and wrought-iron chandeliers. Eight four-person leather booths, and flexible table arrangements combine to accommodate 55 guests. Combined with our Stone Room, this space can hold up to 95 guests.
