The 20 Best Rooftop Bars In NYC

You know you want to.

Summer is practically here and you know you're desperate to get outside. Here are the best places to drink outside this season in NYC. Enjoy them...while I hang out on my one-in-8-million UWS balcony.

Mr. Purple; Lower East Side

If you're a local, you run the risk of running into 12 people you know and don't like from high school at Mr. Purple, but the serene water and expansive cocktail menu will make all that nonsense fade into the background.
