O'Toole's is pleased to offer a variety of gluten sensitive options on both our food and beverage menu. We are not a gluten-free restaurant and cannot ensure that cross contamination will never occur. We have processes in place to minimize that happening but there is a great deal of gluten in the air and on our work surfaces. Our fryers contain particles of flour and our braised chicken is prepared in a beer marinade. If you are Celiac and/or highly sensitive please advise the person taking your order and know that we will do our best but cannot guarantee your order will not touch gluten somewhere in the process. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness.
