

GILD

Toast The Town Pint Night

Application

Toast the Town is a community pint night where GILD donates one dollar from every pint sold from 5-8pm to that evening's charity/cause. Toast the Town is usually held on Monday night. We ask that the beneficiary help get word out for the event and representatives from your group be there with a table/information for the entirety of the event. If you would also like to have additional activities or literature during the event please let us know beforehand.
