Package Customization

We have chosen a variety of our most popular recipes for the shower luncheon menu appropriate for women. Substitutions may be made, however, doing so may affect final pricing.

Guest Count

A final guaranteed confirmation for the number of guests that will be attending is needed by Noon, seven business days prior to your event. If a guest confirmation is not received by the allotted date, the estimate in the contract or the actual number of guests in attendance (whichever is greater) will be used as the final guest count.

Charges for Gratuity and Tax

Applicable state and local taxes of 9.75 percent will be added to all food and beverage charges. Please note that a 20 percent service charge will automatically be applied to the final master tab.

Room Capacity & Food and Beverage Minimums

Our Private Dining Room can accommodate up to 55 guests maximum and is available from Noon until 3pm with a \$1,000 food & beverage minimum.

Our Main Dining Room can accommodate up to 80 guests maximum and is available from Noon until 3pm with a \$1,150 food and beverage minimum. Availability is limited.

***Room capacities are based on one gift table with guest of honor opening gifts, not a “display shower” which requires more gift tables.**

Deposit & Cancellations

We require \$350.00 deposit on all events and a credit card on file. Deposit is refundable up to 90 days prior to the event; a \$50 admin cancellation fee applies.

Miscellaneous Charges

Hosts are required to contact the Event Coordinator, Angela for approval upon bringing a specialty cake, pastries or cupcakes. All items must be from a licensed storefront bakery; no homemade items are allowed for health code reasons. There is a \$25 service fee to plate and serve these items. NO other outside food may be brought in.

Host Arrival Time

Host may arrive one hour prior to event start time for decor set up, cake delivery, etc. Please note, we do not allow items to be taped onto walls.
