Chicago's New Restaurant Openings

If you tried to keep track of every brand new restaurant in Chicago, you might go a little bit crazy. So just read this list instead. These are the new restaurant openings that seem like they have the most potential - although keep in mind, for the ones we haven't tried, we make no promises. Go forth and be a pioneer.

We'll be regularly updating this post. Once we've checked out a spot, we'll add a note if it makes it onto our [Hit List](#).

[Machine: Engineered Dining & Drink](#)

Machine is an upscale restaurant and flower shop that just opened in Wicker Park. You'll find things like carrot tartare and braised pig tails, and a menu section called "build your own bouquet" where you pick flowers and they bring them to your table. But you probably shouldn't eat the bouquet.
