MACHINE

{1846 West Division Street; 312.291.9177}

Brian Galati and Chireal Jordan, co-owners of Machine Hospitality Group, are the golden boys behind this inventive new eatery, which will open its doors this winter. Chef Trevor Hoyte will create seasonally-inspired dishes with a Midwestern flare, while Aneka Saxon (a Violet Hour alum) whips up an immersive cocktail program. An unexpected addition to the concept: your own flower arrangement. Upon request, an in-house florist will wheel a custom-made cart to help you create a centerpiece for your table that can be taken home after your meal. Bouquets and even flower crowns can be made in advance to help consecrate a special occasion.
