

NYC: Panda onigiri, Il Burro Ubriaco, Restaurant Week

New York City | Wednesday, Jan 22

DRINK

The martini menu [at Antica Pesa](#) is quite enticing with choices like the Fiori e Radici with vodka, homemade ginger liqueur and lavender bitters but since it's still winter, try the warming Il Burro Ubriaco, a hot cocktail with butter-infused Cachaca, Frangelico and cinnamon syrup. We also like the Prosciutto e Fichi with prosciutto-infused gin, amara, fig puree and smoked bitters with sage syrup.
