### IWA 5 'ASSEMBLAGE 5' - 75

2024, JAPAN - YAMADA NISHIKI

IWA 5 is a profoundly harmonious blended sake crafted by Richard Geoffroy, who spent nearly three decades as the Chef de Cave of Dom Pérignon, translating his Champagne-born blending philosophy of balance and precision into the world of sake. The result is a layered, textural expression where purity, minerality, and quiet intensity converge into a seamless, contemplative finish.

# SPAIN'S ICONIC VINO DE GUARDA

## MARQUÉS DE MURRIETA

Among the most historic estates in Rioja, Marqués de Murrieta stands as a pioneer of Spanish fine wine. The estate introduced Bordeaux-style winemaking to the region, shaping the foundation of modern Rioja. With a legacy built on tradition and excellence, its flagship 'Castillo Ygay' is one of Spain's most celebrated wines. While 'Dalmau' is a new project that is a Rioja of remarkable depth, blending Tempranillo, Cabernet Sauvignon, and Graciano from the famed Canajas vineyard filled with dense black fruit and savory depth.

## VEGA SICILIA

Among the most revered names in Spanish wine, Tempos Vega Sicilia stands as a symbol of prestige and excellence. The estate revolutionized Ribera del Duero with its age-worthy, Bordeaux-influenced wines, setting the standard for the region. Their flagship wine, Unico, is among the world's most sought-after wines, renowned for its depth, elegance, and longevity. Alongside it, Valbuena offers a more approachable yet equally refined expression of the estate, while Alión and Pintia showcases a modern, pure Tempranillo style with power and finesse.

## DENIS MORTET

Domaine Denis Mortet, based in Gevrey Chambertin, is led by Arnaud Mortet, who assumed control in 2006. Arnaud is pushing these refined and elegant wines to new heights by embracing even more traditional, low-intervention viticulture and vinification: vineyard work is largely done by hand, vineyards are horse plowed, and chemical fertilizers/herbicides have been avoided since 1996. Along with the grapes receiving a gentle maceration, reduced new oak, and stems being retained in the wine making process yields are also kept deliberately low. A meticulous perfectionist, Arnaud is widely praised for producing wines of exceptional finesse, precision, and purity of fruit that has made them world renowned.

## DIRK NIEPOORT - BUÇACO

For the first time ever, thanks to a partnership with Dirk Niepoort, the wines of Portugal's Buçaco Palace Hotel are now available outside of the hotel. For decades, these wines were rare among wine lovers making them one of Portugal's most storied and singular secrets. These wines are uniquely defined by their unconventional blend of grapes from both Dão and Bairrada, yielding elegant, long-lived bottles. The Branco (white) is saline and filled with pure citrus fruit while the Tinto (red) is robust with dark berries and roses, reminiscent of great Nebbiolo/Barolo.

### DIRK NIEPOORT - BUÇACO

For the first time ever, thanks to a partnership with Dirk Niepoort, the wines of Portugal's Buçaco Palace Hotel are now available outside of the hotel. For decades, these wines were rare among wine lovers making them one of Portugal's most storied and singular secrets. These wines are uniquely defined by their unconventional blend of grapes from both Dão and Bairrada, yielding elegant, long-lived bottles. The Branco (white) is saline and filled with pure citrus fruit while the Tinto (red) is robust with dark berries and roses, reminiscent of great Nebbiolo/Barolo.

### PRODUTORRI DEL BARBARESCO

Produttori del Barbaresco is a legendary cooperative founded in 1958 that unites dozens of multigenerational grower-families who have farmed Nebbiolo on Barbaresco's hills for centuries. Their model—pooling fruit from the region's finest crus while preserving each family's legacy—has made them one of the world's most respected expressions of site-driven, traditional Barbaresco. Across generations, they've become synonymous with authenticity, reliability, and terroir-true Nebbiolo. Their famed "Cru Collection," released only in exceptional vintages, is highly coveted for its rarity and its crystalline, vineyard-specific expressions. These bottlings often disappear instantly upon release, making them cherished prizes for collectors and sommeliers alike.
