SPAIN'S ICONIC VINO DE GUARDA

MARQUÉS DE MURRIETA

Among the most historic estates in Rioja, Marqués de Murrieta stands as a pioneer of Spanish fine wine. The estate introduced Bordeaux-style winemaking to the region, shaping the foundation of modern Rioja. With a legacy built on tradition and excellence, its flagship 'Castillo Ygay' is one of Spain's most celebrated wines while 'Capellania' stands alongside as one of the regions top white wines. Expanding beyond Rioja, the winery has also made its mark in Rías Baixas with Pazo de Barrantes, producing world-class Albariño.

Among the most revered names in Spanish wine, Tempos Vega Sicilia stands as a symbol of prestige and excellence. The estate revolutionized Ribera del Duero with its age-worthy, Bordeaux-influenced wines, setting the standard for the region. Their flagship Unico is among the world's most sought-after wines, renowned for its depth, elegance, and longevity. Alongside it, Valbuena offers a more approachable yet equally refined expression of the estate, while Alión and Pintia showcases a modern, pure Tempranillo style with power and finesse.

ANGELO GAJA

Angelo Gaja is a legendary figure in Italian winemaking, widely credited with revolutionizing Barbaresco and elevating Piedmont's, wines, and Italian wine as a whole, to global prestige. Since taking over his family's winery in the 1960s, Gaja has pushed the boundaries of tradition, introducing innovations like barrique aging, single-vineyard bottlings, and blending international varieties with native Nebbiolo. His iconic wines—such as Sorì San Lorenzo, Sorì Tildìn, and Costa Russi—showcase power, elegance, and remarkable aging potential. Angelo Gaja crafts wines that balance modern technique with deep respect for terroir, making him one of the most influential vintners of the 20th and 21st centuries.

OCCIDENTAL

Occidental Vineyards, founded by renowned vintner Steve Kistler, is dedicated exclusively to producing world-class Pinot Noir from the West Sonoma Coast. With a philosophy rooted in purity and site expression, Occidental crafts wines solely from its own single vineyards, ensuring each bottling captures the distinctive character of its origin. The winemaking process is intentionally minimalist—fermentations are driven by native yeasts, extractions are gentle to preserve freshness, and aging occurs in carefully selected French oak barrels to enhance complexity without overshadowing the vibrant coastal fruit. The result is a collection of Pinot Noirs that exude precision, energy, and a profound sense of place, reflecting the extreme maritime terroir that defines Occidental’s identity.
