A tall, slender glass filled with a vibrant orange juice, topped with a generous amount of crushed ice. A sprig of fresh green mint leaves is tucked behind the ice. Three small, white, five-petaled flowers are arranged vertically on the left side of the glass. The entire drink is framed by a series of overlapping, white, geometric lines that create a dynamic, abstract shape around it. The background is dark and textured, and the glass sits on a light-colored, reflective surface.
