MEAT MARKET

If there were any cardinal rules in our “Meats and Potatoes” business, the phrase “Steak goes best with Cabernet” would probably be one of them. This may have been true when our founder, Alan Stillman opened Smith & Wollensky in the 1970’s, when his cellar might be limited by what was available in the market back then.

In this section named “Meat Market,” our team has hand-picked a short but diverse list of wines outside of the Cabernet domain.

RIDGE ZINFANDEL

Since Paul Draper first became Chief Winemaker in 1969, Ridge has been synonymous with two wines: its Monte Bello Estate Blend in the heart of Santa Cruz Mountains, and its Zinfandel from Sonoma County. Despite his recent retirement, these wines carry the essence of classic California with their grace and understated power
