# MEAT MARKET

If there were any cardinal rules in our “Meat and Potato” business, the phrase “Steak goes best with Cabernet” would probably be one of them. This may have been true when our founder, Alan Stillman opened Smith & Wollensky in the 1970’s, when his cellar might be limited by what was available in the market back then. However, much has happened in the world of wine since then. So this begs the question:

Is this Steak = Cabernet rule *still* the golden rule?

In this section we call the Meat Market, our team has hand-picked a short but diverse list of wines that are not made from Cabernet Sauvignon grapes. From varieties indigenous to Italy to classic French varieties grown here in the USA these powerful red wines will work well with any of our cuts of steak.

**Colterris 2016 Malbec *Western Slope, Colorado* 65**  
*Malbec was made famous in Argentina where it is grown in high altitude desert vineyards in the foothills of the Andes Mountains. This Malbec is grown in a similar climate at almost a mile high at 4,785 ft. on Colorado’s Western Slope. The wine is fruit forward with notes of ripe berry fruit, vanilla, and peppery spice.*

**Ridge ‘East Bench’ 2016 Zinfandel *Dry Creek Valley, Sonoma* 78**  
*The history of Ridge begins in 1885, when Osea Perrone, a prominent member of San Francisco’s Italian community, bought 180 acres near the top of Monte Bello Ridge and opened a winery. Abandoned during prohibition, but eventually re-opened. This wine is full bodied with notes of fig, plum, cocoa, and blackberry.*

**Scacciadiavoli 2012 Montefalco di Sagrantino *DOCG Umbria* 86**  
*Founded in 1884 by Prince Ugo Boncompagni-Ludovisi of Rome. The name Scacciadiavoli means “to banish the devil”, it refers to an 18<sup>th</sup> century incident when a young woman was possessed by the devil and was made to drink the local red wine by an exorcist in order to banish the demon. Sagrantino is big and tannic, with flavors of red berries, plums, baking spices, and leather.*

**Pride 2015 Merlot *Napa/Sonoma* 100**  
*Formerly known as Summit Ranch, Pride Mountain Vineyards is a 235 acre estate that sits at the very top of Spring Mountain on the border of Napa and Sonoma at an elevation of 2,100 feet. Being on the mountain top gives the vines desirable Southern exposure. This Mountain Merlot is full bodied with ripe fruit aromas of blackberry, along with chocolate, spice and graphite.*

**Orin Swift ‘8 Years in the Desert’ 2017 Zinfandel Blend *California* 114**  
*Winemaker Dave Phinney got his start in the wine business by creating a Zinfandel based red blend called The Prisoner. After selling the brand, he was banned from making wine with Zinfandel for 8 years due to a non-compete agreement. This is Phinney’s return to Zinfandel winemaking. This bold wine has notes of blackberry, plum, espresso, and a hint of smokiness.*

**Giovanni Montisci ‘Barrosu’ 2016 Cannonau di Sardegna *DOC Sardinia* 144**  
*Giovanni Montisci’s Cannonau is meticulously and organically farmed from 80 year old vines at 650 meters of elevation. Previously selling his grapes in bulk, Giovanni decided to make his own wine for the first time in 2004 and since then he has earned a cult-like following for his powerful and distinctive wines. The wine is rich and complex with notes of ripe red fruit and Mediterranean herbs.*

**Bertani 2007 Amarone della Valpolicella *DOC Veneto* 245**  
*Amarone is made from Corvina, Rondinella and Molinari grapes that are dried after being harvested. After fermentation, the wine is aged in large oak barrels for at least 6 years! This creates a rich, full-bodied wine with elegant texture and flavors of cooked fruit and vanilla bean. Bertani has been perfecting Amarone since 1958.*

**Cayuse ‘Cailloux’ 2016 Syrah *Walla Walla, Washington* 250**  
**Cayuse ‘Bionic Frog’ 2016 Syrah *Walla Walla, Washington* 305**  
*Cayuse is a domaine located in the Walla Walla Valley. Over the past 20 years, French Winemaker Christophe Baron, has made it his mission to craft food-friendly wines of incredible depth, individuality and character from fruit grown biodynamic farming methods. The wines are critically-lauded each year.*

**Bruno Giacosa ‘Santo Stefano di Nieve’ 2011 Barbaresco *Piedmont* 350**  
*Bruno Giacosa crafts the most prestigious single-vineyard Barbarescos in Piedmont. And this wine is the most collectible Barbaresco in the world. The tiny 5 acre Santo Stefano vineyard was planted in 1967 and the old vines produce a concentrated wine that is then aged in French Oak barrels for two years. This wine is incredibly powerful with notes of truffle, dried cherry, tobacco, and black licorice.*

**Colgin IX Estate 2012 Syrah *Napa* 450**  
*Colgin is sold only to select restaurants and individual clients who are fortunate enough to be on their mailing list. Robert Parker says the Colgin IX Estate is “as close to a viticultural nirvana as I’ve ever seen.” Grapes are grown on southeast facing slopes on the estate which is perched high atop Pritchard Hill overlooking Lake Hennessey in the St. Helena area of Napa. This wine is voluptuous and savory with notes of acacia, blackberry, pepper, and coffee.*

### GUADO AL TASSO

*Guado al Tasso takes its name from a curious phenomenon: at the estate it is often possible to spot badgers crossing the fords of the streams which run through the property. A blend of Cabernet Sauvignon, Merlot, and Cabernet Franc create a wine that is complex and fruity, spicy and fragrant with notes of tobacco, coffee, leather, and ripe berries.*

## HORIZONTALS & VERTICALS (USA)

### PATZ & HALL

Great wines capture the essence of great vineyards. Patz & Hall has established long-term relationships with the very best small, family-owned Chardonnay and Pinot Noir wine growers in California. Built on real friendships, and a shared commitment to quality, these partnerships have led to many sought-after single-vineyard wines.

### SHAFER VINEYARDS

Shafer Vineyards is one of California's true Cult wines. Shafer's Hillside Estate Vineyard is 54 acres on steep, amphitheater-like, rocky outcroppings and knolls. An unusual geographic feature, this vineyard is basically a box canyon. This no doubt is a significant reason for the intense flavors achieved by the Hillside Select Cabernet Sauvignon, and why it is able to spend 32 months in 100% new French oak without a woody taste.

### JORDAN

Founder, Tom Jordan, had his game-changing moment after sipping from a glass of Chateau Latour and so modeled his wine to match Latour's elegance, power, and sheer beauty. In 1972 he founded the winery that bears his name and the rest is history. 45 years later, winemaker Rob Davis is still at the helm and he has been since day one – the only winemaker in all of California to be working at one single winery for 35+ years.

### JOSPEPH PHELPS 'INSIGNIA'

Insignia was the first proprietary "Meritage" or Bordeaux-style blend produced in California. Each vintage is comprised of the best grapes from Joseph Phelps Vineyards. In 1973, Phelps bought a 600-acre cattle ranch in Spring Valley, just outside St. Helena, and began planting vineyards and building a winery. The winery construction was completed in 1974, the same year the first grapes were crushed and first vintage of Insignia was produced.

### OPUS ONE

When Baron Philippe de Rothschild and Robert Mondavi founded Opus One, they dreamt of giving birth to a legendary wine that would transcend generations. Nearly four decades later, Opus One has benefitted greatly from the wisdom and experience of both founders. Opus One is a blend of the five classic Bordeaux varieties. The blend changes slightly each year, but the wines are always recognizable by their silky structure and their perfect balance of power and finesse.

## QUEENS OF ITALIAN WINES

Barolo and Barbaresco have long been known as the King and the Queen of Italian wines respectively. Both are made from 100% Nebbiolo grapes in the Piedmont region of Italy, however each appellation has a unique terroir which gives "King" Barolo more power and tannin and "Queen" Barbaresco more elegance and finesse. In this section called Queens of Italian Wines we have chosen to feature our favorite Barbarescos crafted by female leaders in the region.
