RESTAURANT

Smithfield, KY 40068

We would like to take this opportunity to thank you for allowing us to present our plan for your upcoming event. Our catering team understands the importance of a successful luncheon, picnic, corporate dinner or the casual family gathering. That is why we want to make your decisions as stress free as possible!

Our Catering Menu is a lot like the menu here at *Our Best* Restaurant. We offer good country cooking at good country prices and we have a wide variety of country dishes from which to choose.

So sit back, relax and look through our menu of delicious soups, salads, entrees, vegetables and desserts. If there is a dish that you had your heart set on and you don't see it on our menu then please give us a call. We will be happy to discuss it with you.

Sincerely,

Aric Way, Manager
Catering Division
