KRUG

Ambassades

Music is a natural analogy to describe craftsmanship at the House of Krug. Guided by founder Joseph Krug's unique principle of individuality, each plot of vines, through its wine, is a musician. Each year, Cellar Master Julie Cavil, as a conductor, auditions some 400 wines, or musicians.

The Soloists

On certain special years, during the tastings with Krug's Tasting Committee, they encounter a virtuoso soloist. From a single plot, a single grape variety and the harvest of the one single year.

KRUG 'Clos du Mesnil' 2006	2,250
KRUG 'Clos du Mesnil' 2008	2,750

The Small Ensemble

Throughout the auditions of each musician with Krug's Tasting Committee, a small ensemble of musicians interpreting the music of the year was identified. A multitude of plots, three grape varieties and the harvest of the one single year.

The Full Orchestra

Julie Cavil's primary mission is to perpetuate Joseph Krug's dream of crafting each year the most generous expression of Champagne, regardless of climatic variations. Thus, they audition the musicians to select those who will perform in the full orchestra of champagne. A multitude of plots, three grape varieties and many different years.

The Chamber Orchestra

The story of Krug Rosé dates back to 1976. With Joseph's non-conformist spirit at heart, the 5th generation of the Krug family gave birth to a new composition, a bold rosé inspired by the House's reputed art of blending. Each Édition of Krug Rosé is an astonishing balancing between finesse and substance, performed by the Chamber Orchestra.
