### A Fish Called Avalon

Its Ocean Drive location might turn off some people, but visitors who skip over A Fish Called Avalon are making a huge mistake. The seafood restaurant has been around for more than three decades because its food is that darn good.

As you've likely guessed from the name, A Fish Called Avalon is all about seafood: sesame seared ahi tuna, jumbo shrimp scampi provencal, Chilean sea bass ... the menu is full of highlights. Make sure to save room for the macadamia-crusted snapper and the restaurant's award-winning dessert. See for yourself why the pecan-crusted key lime pie is a National Pie Champion.

A Fish Called Avalon is located at 700 Ocean Drive, Miami Beach, FL 33139. For more information, [visit their official website](#).
