Not Your Grandpa's Riesling 18

Dry and delicious, with all the fruits, minerals and thankfully no new oak or gobs of sugary sweetness. While Blue Nun had its moment, it is now time to celebrate and enjoy how good dry Riesling can be.

Stadt Krems *Riesling*, Kremstal, Krems, Austria 2019

Ravines *Dry Riesling*, Finger Lakes, New York 2017

Dr. Bürklin-Wolf *Riesling Trocken*, Pfalz, Germany 1999

Unusual Suspects 17

Ready to try something new? These indigenous white Portuguese grapes have lots of personality driven by minerals, ripe fruits and a kiss of new oak. There is a reason why everyone is moving to Portugal...

Euro Cup 19

France, Italy and Austria, three heavyweights on the world stage. Will it be the upstart Gruner and its perfectly balanced attack, the Chablis with its chalky minerality that dominates the finish or the Pinot Grigio that is simply one of the greatest PGs ever; who will take home the Cup?

Geyrhof *Grüner Veltliner*, Kremstal, Austria 2018

Domaine Barat *Chardonnay*, Chablis, France 2018

Terlano *Pinot Grigio*, Alto Adige, Italy 2019

Nude Beach 17

Basking naked in the sun on a hot summer day, just as Mother Nature intended it. These three are lean, crisp & racy with crunchy just-ripe fruit flavors, and a bit of earthiness that echoes the sea and the soils they grow in. Hopefully Falanghina will not take after its name, and be that guy on the nude beach no one wants to see.

Columna *Albarino*, Rias Baixas, Spain 2019

Txomin Etxaniz *Hondarrabi Zuri*, Getariako Txakolina, Spain 2020

Marisa Cuomo *Falanghina/Biancolella*, Ravello, Campania, Italy 2020

ROSE

Pretty in Pink 13

Like the classic John Hughes film, charming, fun and delightful. However this is your chance to rewrite the ending and choose Duckie over Blaine.

Domaine de Figueirasse *Gris de Gris des Sables*, Camargue, France 2020

Famille Bourgeois *Pinot Noir*, Sancerre, France 2020

Murgo *Nerello Mascalese*, Etna, Sicily 2020

REDS

Truth in Advertising 18

No hiding behind gobs of new oak, no exaggerated wine maker's ego to deal with or syrupy over-ripeness. Just text-book examples of what these grapes should taste like. What a concept, wines tasting exactly like the grapes listed on the label!

Ernest *Pinot Noir*, Cleary Ranch Vineyards, Sonoma Coast, California 2018

Silverado *Merlot*, Mt George Vineyards, Napa California 2017

Le P'Tit Paysan *Cabernet Sauvignon*, San Benito, California 2019

Stag's Leap Wine Cellars *Cabernet Sauvignon*, Artemis, Napa, California 2018

The Other Beatle 24

Garnacha/grenache is the George Harrison of grapes, when playing with others it harmonizes with the best and makes truly amazing wines but also has the star power to rock by itself.

Skylark 'Las Aves' *Carignane/Grenache/Cab Sauvignon/Syrah/Petite Sirah*, Mendocino, California 2015

E. Guigal *Grenache/Mourvèdre/Syrah*, Chateâuneuf-du-Pape, France 2016
