From the restaurant empire behind big, vibey restaurants like Philippe Chow comes [Ivy Lane](#) in a three-level space on the Upper East Side. Food runs American with French and pan-Asian influences in the second-floor dining room, but the entire first floor is dedicated to drinks. Cocktails, created by head bartender Wilmer Nolasco, include the Tropical Sherry Cobbler (oloroso and amontillado sherries, dark rum, orgeat, lemon, pineapple, blackberry) and the Spicy Little Agave Drink (chile vodka, tequila, chile liqueur, grapefruit, lime, guava).
