JORDAN CABERNET SAUVIGNON

Tom Jordan, had his ah-ha moment sipping a glass of Château Latour and so modeled his wines to match Latour’s elegance, power, and beauty. In 1972 he founded the winery that bears his name and today, winemaker Rob Davis who has been there since day one is still at the helm – the only winemaker in California to be working at one single winery for 45+ years.

MINER FAMILY

Each wine is crafted in a style to encapsulate the distinctive elements and the indelible fingerprints of their respective vineyards. Miner has sought and secured a number of California's finest vineyard sites but only those allowing complete farming control. It is this level of detail and control, from vine to wine, that ensures a wine's consistency and quality.

HUNDRED ACRE

All Hundred Acre fruit comes from small vineyard plots. Each expression—parsed by soil type, rootstock, and time of harvest—ferments separately. Jayson Woodbridge performs a feat of improvisational blending, perhaps learned by osmosis from Phillippe Melka, who honed his trade at famed Bordeaux houses, Haut Brion, Chateau Petrus and Dominus in California.

MEAT MARKET

If there were any cardinal rules in our “Meat and Potato” business, the phrase “Steak goes best with Cabernet” would probably be one of them. This may have been true when our founder, Alan Stillman opened Smith & Wollensky back in the 1970’s. However, much has happened in the world of wine since then. So this begs the question: Is this Steak = Cabernet rule still the golden rule? In this section we call the Meat Market, our team has hand-picked a short but diverse list of wines that will work well with any of our cuts of steak.

🍷 Oddero Barbera d’Asti, 2022 Piedmont, IT 105

Poderi e Cantine Oddero is a historical brand among Barolo producers. The winery’s roots go back to the end of the 18th century when their ancestors began to make wine under their own name. The wine cellars, located in the frazione Santa Maria of La Morra, are raised up on a natural terrace and overlook the hills of the Langhe.

Orin Swift 'Mercury Head' 2022 Cabernet, Napa, CA 400

Orin Swift's philosophy is to find the best fruit, harvest it carefully, and then bring it in at the winter without spoiling it. The name comes from founder, Dave Phinney's parents. Orin is his father's middle name and Swift is his mother's maiden name. Orin Swift's philosophy is that winemakers are only as good as the fruit they use. The wine makers strive to create wine that represents the broad spectrum of the California region which is evident in each of his red and white blends.

Paradigm 2019 Cabernet Franc Oakville, Napa 265

Paradigm is made by former Screaming Eagle Winemaker Heidi Peterson-Barrett on a 50 acre parcel of land right next door to the Screaming Eagle estate. For the Paradigm wines, Heidi does everything from grape to bottle by hand in a meticulous fashion. This Cabernet Franc has a plush mouthfeel with flavors of ripe blueberries, black tea, cedar, and peppery spice.

Sine Qua Non 'Eleven Confessions' 2021 Syrah Sonoma Coast 825

Elaine and Manfred Krankl have reached superstardom with their tiny production and even harder to find wines. Robert Parker called these his “unicorn wines”. The Syrahs are powerful and dense with aromas of plum, cherry, lavender, violets, spice, cassis, chocolate, and anise. The Grenaches are lighter in body but still concentrated with notes of black raspberries, dried herbs, vanilla, and licorice.

This wine is made up of 85% Merlot and 15% Cabernet Sauvignon.

Fortunate Son ‘The Diplomat’ 2018 Red Blend, Napa Valley 475

Fortunate Son ‘The Warrior’ 2018 Cabernet, Napa 1000

Jayson Woodbridge's Fortunate Son is the culmination of more than two decades searching for small jewel vineyards and the fruit from them, handcrafted in the same, meticulous way as Hundred Acre. The 2018 vintage of Fortunate Son was made at Hundred Acre's underground winery: The RING. In the future, Fortunate Son will be crafted at their new winery: The Fortunate Son Winery at the Historic David Fulton Vineyard Established in 1860.
