### BIG APPLE CIDER AT ANTICA PESA

As if we didn't already love Antica Pesa enough, here is another reason to head out to the Williamsburg Italian spot: the cocktails, including the Big Apple Cider. Concocted by mixologist Jeremy Ganter, this drink is made with steamed New York cider, Buffalo Trace bourbon, Amaro del Capo and a dash of pimento bitters and garnished with a lemon and orange twist, star anise and a cinnamon stick. 115 Berry St., 347-763-2635, [www.anticapesa.com](http://www.anticapesa.com)
