

*Wine has flowed throughout Lebanon's history
from ancient times to present day.*

*In this beautiful land of antiquity, beverage, food, and
people are one and the same. Our beverage program
reflects this, representing the best of both Lebanese
traditions and those beyond the Levant, while paying
special homage to underrepresented people and places
which also produce beautiful drinks born from nature.*

*The complexities of Lebanese cuisine, teamed with
the culture's singular hospitality, offer exponential
possibilities for pairing and sharing.*

We look forward to sharing them with you.

Lebanese Arak

THERE ARE DRINKS TO GET YOU DRUNK, AND THERE ARE THOSE TO BE SAVORED WITH FOOD. ARAK REPRESENTS THE LATTER.

This smooth, refreshing spirit, noted for its profile of licorice with a hint of peppermint cleanses the taste buds and refreshes the palate for each new dish. Arak makers also tout its holistic properties, claiming the aniseed aids in digestion and relaxation.

Tradition states that Arak is not sipped straight but mixed in a ratio of approximately 1/3 Arak to 2/3 water and requires that water is added before ice. Be playful and mix it yourself or allow us to mix it for you.

The first glass is for medicinal purposes, the second glass makes you happy, and with the third, you eat the wind.
