EXPERIENCE + FLEXIBILITY

Calissa's extensive events clientele includes a wedding at Hearst's Castle and dinner at the Freedom Tower. We have executed off and onsite events for groups from 10 - 1,000 utilizing a variety of cuisines, service styles, and event design.

THE WOW FACTOR

A private concert with the Gipsy Kings? Authentic Greek lamb roast paired with jeroboams of rosé? Unique, nuanced events are what we do best. Our planning services include specialty rentals, invitation production, menu design, florals, wine pairing consultation, mixology, and entertainment bookings, including DJs, musicians and dancers within a range of budgets.

ACCLAIMED FOOD + WINE

Created by Executive Chef Dominic Rice, Calissa's menu is inspired by the cuisine of Mykonos, ideal for social dining. Our award-winning wine list has over 150 selections and the deepest collection of large format wines on Long Island.

THE LOUNGE

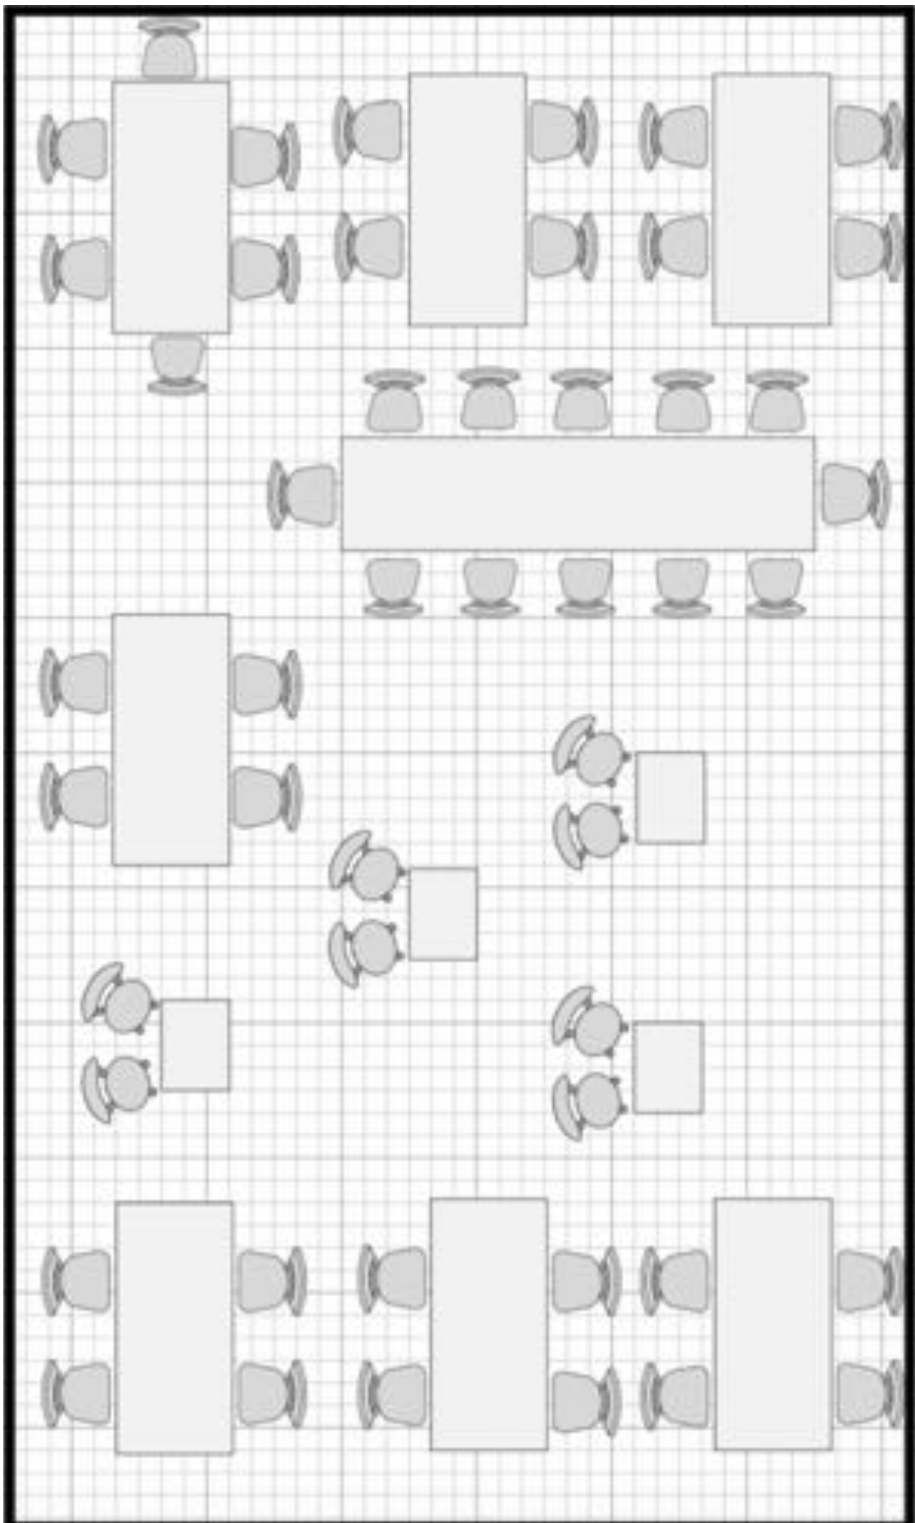

A private dining room with a wooden ceiling, white chairs, and tables. The room features a long white sofa with blue and red cushions, several wooden tables, and white chairs. The ceiling has exposed wooden beams and several large white spherical pendant lights. The walls are a dark grey color. The floor is covered in a dark blue carpet.

THE PRIVATE DINING ROOM

A photograph of an outdoor terrace or patio area. The space is paved with large, light-colored stone tiles. In the foreground, there are several small, square tables with blue and white patterned tablecloths, each accompanied by two white wicker chairs with cream-colored cushions. A small, round, woven basket sits on one of the tables. To the right, a long table is set with a white tablecloth, white plates, and glassware, surrounded by white chairs. The terrace is enclosed by a white railing with white curtains hanging from the top. Above the terrace, several strings of white string lights are strung across the space. The background is filled with lush green trees under a bright sky. A semi-transparent white rectangular box is overlaid in the center of the image, containing the text "THE TERRACE".

CONTRACT

Payments and Cancellations

We do not require a deposit. Confirmation of receipt of a credit card with your signed agreement secures the space, date and time for your event. We do not “hold” rooms but do try to offer notice if a party has expressed interest for the date of your inquiry. Your event is confirmed with a non-refundable 75% cancellation fee of the minimum guaranteed food, beverage, room fee, administrative fee and tax. If the event is cancelled within twenty-one days of your event it is subject to a cancellation fee of 100% of the minimum guarantee, room fee, administrative fee and tax. Calissa is not responsible for cancellations due to nature, acts of God or events beyond its reasonable control.

All prices (including room and A/V fees) are subject to a tax at 8.8% and an administrative fee of 5% (unless otherwise stated in your contract). Gratuity is up to your discretion but must be selected in advance as part of your contract. In the event a gratuity is not selected, a 20% gratuity will apply.

Service and Special Accommodations

The meal is served to the table unless your proposal states otherwise. Service of the first course/ passed appetizers will begin within 15 minutes of the start of your event. We understand that sometimes guests arrive late and we will do our best to accommodate late arrivals but we cannot compromise a la carte service or other private events as a result of a late party. If additional persons arrive late, we will do our best to serve their food along with the food of the remainder of the party. We cannot guarantee, however, that their food will arrive simultaneously unless it is ordered with the rest of the party. Should you wish to enjoy drinks before sitting down to a seated meal, please let us know before your proposal is prepared so we can make alterations to staffing and our a la carte availability as we may not be able to make such accommodations a la minute.

We always offer the ability for a guest to choose a meal based on dietary restrictions (vegan, vegetarian, gluten-free, etc.) - even if you do not select one in advance. Any special dietary meals (including religious needs, vegan, food allergy) will be considered an a la carte addition.

Without reasonable notice, Calissa will do its best to provide food that meets these guests' needs but cannot make any guarantees as to the quantity of special options may be available that day. No changes in the prices contained in this package will be made except by email with an acknowledgement and agreement. Attendance at your event signifies acceptance of these terms and any changes in the terms confirmed by email with Calissa employees prior to your event. A photo of the front and back of the credit card is also required for processing. Should this not be provided it may not serve as a reason or justification to dispute payment for the event. The signee agrees that the charges may be authorized by the on site host/on site company representative for the event.

Outside meals (kosher, halal) brought into the restaurant are charged as an a la carte addition at the following prices: Salad, Entree and Dessert: \$150. Outside meals do not diminish/alter the minimum guarantee/count for your event. Children are counted as adults unless you tell us otherwise in advance. We always offer pasta with tomato sauce, butter and/or cheese as a la carte options for children. Additional a la carte menu items can be added to event pre-fixe menus on a case by case basis.

All a la carte requests or requests for additional food the day of your event will be billed at normal a la carte prices and consistent with Calissa's normal practices. In the case of a la carte requests, Amali will honor a la carte requests by a guest in its best judgment unless instructed to do so otherwise by the host. If the situation arises where Amali is asked by the on site host to override instructions regarding a la carte requests, Amali will try to contact the off site host to alert them as to the situation but will follow the direction of the on site host unless there is specific and clear written instruction to the contrary. If additional food is ordered from the a la carte menu, we will not compromise our ability to serve our a la carte customers.

Rentals, Bartenders and Extra Options

We rent: LCD projector (\$200), projection screen (\$100) or microphone (\$75). Amplified music is not permitted except for a buyout. Linens are available by request. If you would like linens, please note this on your event proposal. Linens are priced at \$10 per table.

A private bartender is available for an additional fee of \$75 per hour with a 3 hour minimum. A private bartender is required for events of over 45 guests with a specified cocktail hour. We suggest at least one weeks' notice for specific wine requests.

For individual appetizer or entree service, the price is \$10 per course per person depending on the menu choices and number of guests.

Off-Premise Food and Beverage

Outside food and wine is not permitted except by express agreement. Calissa does not prepare meals to go.

Seasonality and Sustainability

Calissa buys many items at the market. Accordingly, we reserve the right to make changes to the menu based on vendor shortages or events outside of Calissa's control.

Guaranteed Minimum: Service and Billing

We will assume the number on your event proposal is correct for your event unless told otherwise. If the final number of attendees exceeds your estimated number of attendees by more than 25% without seven days notice, Calissa will charge an extra fee of \$25 per guest in attendance at the event to compensate for last minute preparation and other modifications

to the menu or service style to not compromise the experience of other diners in the restaurant. The client will be billed for the guaranteed minimum, the actual number in attendance or the most recent guest count, whichever of the three is greater. The final guest count is due one week prior to the event. Under no circumstances will the billing of the event be the lowest count, sum or minimum of the guest counts outlined above. When less than the guaranteed number of guests attends, the restaurant will not provide takeout meals or monetary credit for guests that could not attend. We do not credit future events in the case of cancellations.

Duration

All events will conclude 3 hours after the start time of your event unless otherwise noted on your event sheet. Should you request the room to be made available for longer than four hours a \$500 minimum per hour will then apply. Please be aware that the terms contained here are incorporated by reference in your events proposal and will bind your agents, representatives, on-site hosts and any guests on whose behalf you are reserving the room, goods and services of Amali. It is the responsibility of the third party bookers to notify the host and/or guests of all the terms and conditions listed in the agreement. Amali is not responsible for the communication (or lack of) between the booker/planner and the host. The terms of this contract supersede and control any other writing, agreement or contract between the parties should there be a conflict in the terms.

Liability

Liability for damage to the premises will be charged to credit card in the event proposal. Amali is not responsible for any lost or stolen articles. Please be aware that the terms contained here are incorporated by reference in your events proposal. Inclement weather conditions, events outside Calissa's control or Acts of God may not be used to cancel the obligations of this contract unless there is a state of emergency on the date of your event.
