

OUR STORY

The Cactus Shop in Brooklyn takes you to the lively streets of Mexico with colorful walls decorated with handpicked Oaxacan arts and crafts.

It features a cozy courtyard perfect for summer nights or weekend brunch. Founded by Marnie Gelhard, whose childhood trips to Mexico inspired the space, this special bar was imagined by friends on the back of a cocktail napkin. Co-founder Luis Zhumi, a well-known New York mixologist, crafts innovative cocktails with his bar team, while head chef Eduardo Dominguez from Mexico elevates familiar Mexican favorites.

We love hosting special events at The Cactus Shop!
