We take pride in giving everyone that Southern Hospitality and comfort food y'all expect. Our homemade BBQ is now being offered via Curbside Pick-Up and Delivery to the Longmont and Carbon Valley area.

Here at Georgia Boys, we are committed not only to bringing you the best BBQ in Colorado, but also ensuring top-notch food safety techniques and procedures are followed every step of the way.

We take our role in protecting our community (our extended family!) very seriously and are taking all precautions to ensure the safety and health of all. In light of recent events surrounding COVID-19, we want to let you know what Georgia Boys BBQ is doing:

In addition to our normal health and safety procedures we are now following the CDC guidelines and taking the following extra steps:

- We are sanitizing all hand contact surfaces; door handles, sink handles, soap dispensers, towel dispensers, the tables, chairs, booths, sauce bottles, salt & pepper shakers, menus, and napkin dispensers after each guest and on an hourly basis.
- Our staff will continue to practice good hygiene by washing hands thoroughly and using hand sanitizer often.
- We have instructed all team members to stay home if they feel ill at all and take advantage of the paid sick leave.
- We are being flexible with our staff who need to adjust schedules to care for their family members, especially the parents who have children who are home from the school closures.
- We are doing additional nightly and morning deep cleaning procedures including spraying a disinfecting sanitizer in all of the customer areas.

We will continue to monitor the situation with the COVID-19 situation and make adjustments to our action plan in accordance with the recommendations made by the CDC, The World Health Organization, and our state and local health departments.

We want to take this moment to thank our guests and our community for the continued support we have received over the years. We consider all of our team members family here at Georgia Boys and we want to do everything possible to ensure their well being as well as our guests. We hope that through these uncertain times, you will continue to support your local businesses. More than ever, we need to come together as a community and be supportive of each other.

Lastly, our dine-in service is temporarily unavailable in both of our restaurants. If you are choosing to avoid public places, we do hope you take advantage of our delivery and online ordering process for a speedy pick-up. BBQ travels great!

Thank you again for your patronage and loyal support!

Matt, Nick, and the entire Georgia Boys Family
