- KÖNIG LUDWIG (GERMANY) - 5.5%** 1/2 POUR \$3.50 / 18 OZ \$6.00
The royal family of Bavaria held the monopoly on brewing beer in the entire region for around 200 years, which means that they can be considered the most experienced producers of wheat beer. A combination of cloves, banana, and light citrus notes
- WARSTEINER PREMIUM VERUM (GERMANY) - 4.8%** 1/2 POUR \$3.50 / .4L \$6.00
Perhaps the finest German Pilsner available in the US. Exceptionally balanced employing quality malts, slightly bitter noble hops, and soft water. Light, crisp, and refreshing!
- WILD LEAP GRATUITY (LAGRANGE, GA) - 4.2% -** 1/2 POUR \$3.50 / 16 OZ \$6.00
Crisp and clean, this "Light Beer" drinks like a dry lager with a touch of fruity complexity. Plus, 10% of all proceeds from this beer are donated to service industry related charities and help programs, so drinking this beer technically makes you a better person.

AMBERS + BROWNS + PORTERS + STOUTS

- SOUTHERN BREWING COMPANY MIDNIGHT TRAIN PORTER (ATHENS, GA) - 6%** 1/2 POUR \$3.50 / 12 OZ \$6.00

- GUINNESS DRAUGHT (IRELAND) - 4.2%** 1/2 POUR \$4.00 / 16 OZ \$7.00
Rich and creamy. Distinctively black. Velvety in its finish. This iconic beer is defined by harmony. Sip after sip, sweet counters bitter as the malt arrives on cue to compliment a base of roasted barley.
- HORUS HAZELNUT HARRIS IMPERIAL STOUT (OCEANSIDE, CA) - 13%** 5 OZ \$14.00
If you came here looking for a massive stout that is packed with flavor, thick like maple syrup, and still maintains a silky smooth mouthfeel, look no further. Coffee, Hazelnut, and thick black chocolate hide a giant ABV in this delicious high gravity sipper.
- PRETORIA FIELDS WALKERS STATION STOUT (ATHENS, GA) - 6.5%** 1/2 POUR \$4.50 / 12 OZ \$8.00
A complex yet easy drinking Stout, Pretoria Fields knocks it out of the park yet again. Chocolate, toffee, and roasted coffee dominate the flavor with just a touch of sweetness and creamy, medium-bodied mouth feel.

PALE ALES + IPAs + DOUBLE IPAs

- THREE TAVERNS NIGHT ON PONCE IPA (DECATUR, GA) - 7.5% -** 1/2 POUR \$4.00 / 16 OZ \$7.00
Switching out the belgian yeast in their "Night in Brussels" IPA for an american ale yeast, the brewers at Three Taverns created an entirely new beer. Light malt character, bright citrus, and a clean finish - this American IPA will take you right to the streets of ATL.
- FAT BOTTOM BREWING KNOCKOUT IPA (NASHVILLE, TN) - 5.9% -** 1/2 POUR \$4.00 / 16 OZ \$7.00
Straight from Nashville, this IPA packs an old school punch. Cascade and Pacific Jade hops give it a gentle grapefruit aroma and distinct bitterness, all of which is balanced out by its sweet malty backbone.
- PIPEWORKS NINJA VS UNICORN DOUBLE IPA (CHICAGO, IL) - 8.0% -** 1/2 POUR \$4.50 / 12 OZ \$8.00
A beer meant to represent an epic showdown between two warriors, this Double IPA is massive but still remains drinkable. Full bodied and tropical, this unfiltered brew touts notes of pineapple, melon, tart white grape, and pine to tie it all together.

The rotating Double IPA returns for its 16th iteration. Brewed with Experimental Hop 06300, this juicy double packs a massive tropical flavor with hints of pineapple, citrus, and cocoa.

SOURS + FRUITED BEERS

- TERRAPIN WATERMELON GOSE (ATHENS, GA) - 4.5% -** 1/2 POUR \$3.50 / 12 OZ \$6.00
It's that time of year again! Watermelon Gose, our favorite Terrapin brew, is back and better than ever. The sour wheat base beer is complimented by sweet watermelon juice and just a touch of salinity for a refreshing beer fit for mowing the lawn or relaxing on it.
- BOLD ROCK SANGRIA CIDER (NELLYSFORD, VA) - 5.0%** 1/2 POUR \$4.00 / 12 OZ \$7.00
Spring means easy drinkin! Enter: Sangria Cider! Subtle berry and apple compliment bright citrus and pear on this not overly sweet and complex cider!
- UNE ANNEE LE GRAND MONDE (NILES, IL) - 7% -** 25 CL \$10.00
A Barrel aged American Wild Ale with Ginger, Passionfruit, and Peach, Le Grand Monde is the continuation of years of incredible rotating wild ales. Aged to funky perfection, this isn't an entry-level sour beer, but it is absolutely delicious.
- D9 BREWING DEFYING GRAVITY: INFINITE IMPROBABILITY (HUNTERSVILLE, NC) - 14.4% -** 10 OZ \$6.00
An absolute beast of a wild ale, this beer is strange to say the least. Brewed with purple potatoes, it inexplicably pours a bright green. Sour and effervescent, this odd brew often drinks like a cocktail more than a beer, but it's good! Try it!

Everyone in our company is a big fan of domestic beers, but we're also big fans of the craft beer we sell. We don't want to limit the options we have for our guests, but also want to encourage everyone to try something new. On that note, we've decided to price our domestic beers the same as all of our craft beer. All of our staff has been trained to be able to answer any questions you may have about our craft beer selection.

Cheers!
